REPORT OF THE SCHOOL DIRECTORS AND SUPERINTENDENT

January 30, 1952

To the Citizens of Rutland Town:

Accompanying this narrative report may be found the usual tabulations and financial information that one should study to most fully understand our public school program of education.

Comparative costs per pupil in the elementary schools show an expected rise. General inflationary trends contribute to this as do further items of improvement to plant and equipment. The reason that high school costs are less than elementary is chiefly because on a tuition basis the per pupil costs are less to us than they are to the host high schools. Being reported on a July 1st dating also means that the full brunt of recent tuition increases will not be felt until the following July. Tuition notices already received for next year's rate indicate a rise of twenty-five dollars per student.

State aid received on December 1, 1951 amounted to \$13,854.92, slightly more than the previous year.

Transportation

This is the fourth consecutive year in which services of the Rutland Bus Company have been secured to transport a majority of the school children. A few pupils reach the Center Rutland school by private carrier. Success of the present bus arrangements are dependent upon the efficiency of the bus company, and condition of their equipment.

Pupil Assignments to Buildings

At present four rooms are in operation at Center Rutland, with grade divisions respectively two per teacher; 1-2, 3-4, 5-6, and 7-8. The two rooms at Dyer School have four grades to each teacher; 1-4 and 5-8. At the Haiti and Cheney Hill schools each teacher has grades 1-3.

Transportation permits Haiti children in grades 4-8 to attend the Dyer School. Likewise, pupils on Post Road attend Cheney Hill School in grades 1-3, and the Center Rutland School in grades 4-8. To avoid overcrowding at Cheney Hill some Mill Village primary children are routed to Center Rutland along with all those in grades 4-8 from that district.

Public Health Nurse

A new state-wide program of public health nurses' service has re-grouped towns so that Rutland Town has part-time service by such a nurse. Working with members of a town committee, she directs health service to the schools, chiefly through clinic work and contacts with the teachers. Cooperation of parents in getting children to and from the first clinic, held at Center Rutland, gave it initial success.

Teaching Staff

More than the usual number of changes occurred among teaching positions at contract time. Three new teachers were secured for respective vacancies at Center Rutland, Dyer, and Cheney Hill. Since October, an interim substitution was made at Cheney Hill, until February 4th.

If a suitably qualified music teacher can be secured to teach on a part-time basis, it is hoped that music instruction may be resumed in all class rooms.

Educational Aspects

New geography text books have been supplied all pupils in grades 5-8. Standard tests are used to measure ability and achievement periodically. The following tabulation is given to classify results of the most recent measure of pupil attainment in certain basic subjects. In a given group of students are found those who measure up to their grade range, usually in the majority; then there are those who range one or more grades above or below the grade they are attending.

Rutland Town Achievement Tests

Repairs and Maintenance

Early in the year your Directors and Superintendent thoroughly inspected all of the school buildings, and the findings made it necessary for us to redecorate as follows:

Dyer School

All rooms were painted as well as the exterior entrance. The playground was levelled and a fence erected on the west side of the lot as a matter of safety.

Haiti School

The interior was redecorated.

Cheney Hill School

The basement was redecorated.

Center Rutland School

The major improvement for the school year of 1951-52 was the installation of a new oil-fired heating system at the Center Rutland School. All of the work in connection with this improvement is practically completed at the time of writing this report. We are confident that the new system will heat the building satisfactorily under all weather conditions.

The School District joined with the Town in sharing the expense for the redecorating of the Town Hall in the basement of the Center Rutland School.

The School District received a Jungle Jim from the Parent-Teachers' Association, which has been erected on the playground at the Center Rutland School. We extend our thanks to the Parent-Teachers' Association for this gift and know it is greatly appreciated by the students.

The floors in all school buildings were again reconditioned during the summer vacation.

The playground equipment at all schools was repaired and painted.

Recommendations

We are advised by competent heating engineers that there is great heat loss through the unusually large loose windows at Center Rutland School. We recommend that either storm windows be provided, or new windows of smaller size, properly weather stripped, be installed, retaining proper natural light for all rooms. We include in our budget \$1,500 to cover this expense, and we believe that the expense will be earned through the saving in the cost of fuel.

At the Dyer School we recommend the removal of the present board partitions in the basement, providing new partitions to enclose the furnace room, install new ceiling, and decorate so that the basement may be used for recreation and a lunch-room. We have in-

cluded \$500 in the budget to cover this expense.

At Haiti School it is necessary to put on a new roof, and we have included in our budget \$450 to cover this expense.

Many years ago a contract was entered into by the School District with an individual, owning property near the Haiti School, for the providing of such water as the School required. This contract has now expired and the present owner has served notice that he is unwilling to enter into a new contract to supply the School with water. Therefore, it becomes necessary to provide a supply of water for the School. We feel that the most practical way to secure water would be to drill a well on the School property. We estimate this expense will be \$1,500, and it is included in the budget.

All schools should have new lighting fixtures, and the most urgent need is at Dyer School. We have included in our budget \$200 for supplying fixtures at Dyer School this coming year.

We are short of desks in good repair, and we include in our budget \$300 to cover the cost of supplying sufficient new desks to accommodate the students for the coming year.

For several years there has been need of the services of a music teacher for all schools. In our budget we have included an amount to cover the services of a music teacher on a part-time basis.

During the year we have taken a house-to-house census of all children in Rutland Town who are either now in school or will enter school in the next six years. You will be interested in the summary below, which shows the number of school children, who will be entering school during the years of 1952 through 1957.

	1952	1953	1954	1955	1956	1957
Center Rutland	6	13	8	10	8	4
Cheney Hill	9	3	7	5	6	2
Dyer	2	4	1	4	4	2
Haiti	3	5	3	7	7	3
Mill Village	4	5	0	3	2	0
Post Road	3	3	5	4	5	1
	—	—	—	—	—	—
Totals	27	33	24	33	32	12

Your Board is mindful of the ever increasing cost of operating our schools, yet we appreciate that it is the desire of the parents and taxpayers that our schools be maintained in a proper manner and that competent teachers be employed and that they be paid fair wages for their services. The cost of giving higher education in high schools is continually increasing. In making up our budget for the

ensuing school year, we have had all of the foregoing in mind.

To meet the budgetary demands, a tax rate of \$2.10 on the Grand Tax List is necessary.

We express our appreciation to the Parent-Teachers' Association, to the teachers, to the pupils, and to all others who have contributed in any way to the successful operation of the schools.

Respectfully submitted,

MYRON J. BEEBE, Chairman

MRS. NORMAN SPAFFORD

Tax Collector Taxes Abated	\$463.06

The McKinley Avenue Bridge at Mill Village was completed this year at a total cost of \$32,976.17. Part of this was paid in 1950 with the balance of \$25,192.42 being paid in 1951.

The Carrara Bridge on the Cold River Road was let out on contract to Joseph Carrara and the job was started. The contract called for a layout of \$13,954.10. The State pays four-fifths of the total cost with the town's share at one-fifth.

The War Memorial was decided upon and should be up in the Spring. There is \$619.96 in the account to be applied on the cost.

The Town Hall was painted with the School District sharing half the expense and the Selectmen the rest.

Respectfully submitted,

W. N. SHARP

Measles	6

Respectfully submitted,

CARLTON L. CHAMPINE
Health Officer.

RUTLAND TOWN WAR MEMORIAL

During the past several months progress has been made in preparing the plans and the list of names for the Memorial to be erected on the Center Rutland School grounds and which is, of course, to honor those who lived in Rutland Town at the time of entering the armed services of their country.

The preparation of the list of names has required hours of research and soon there will be listed publicly the names to be inscribed on the Memorial, so that every one may have an opportunity to make additions or deletions or corrections in the names listed.

It is planned that the Memorial will be erected this Spring and be dedicated with special services on Memorial Day of 1952.

RUTLAND TOWN WAR MEMORIAL COMMITTEE

A. T. HOWE, *Chairman*

VERMONT DEPARTMENT OF SOCIAL WELFARE
Montpelier, Vermont

To the Auditor of the Town of Rutland:

The following amounts listed represent the amount of the balance due the Vermont Department of Social Welfare as of December 31st, 1951, and do not include charges which will appear on the January 1st, 1952 billings.

Committed Children	\$26.25
Aid to Dependent Children	13.50

Total Due	\$39.75
-----------	---------

W. ARTHUR SIMPSON, Commissioner
 January 9, 1952

Auditors, Town of Rutland

Dear Sirs:

In accordance with Section 559 of the Vermont Statutes, Revision of 1947, I hereby send statement of money paid your town by the state for the year ended December 31, 1951.

1951

Jan. 30	Forest Fires	\$	30.40
June 1	Winter Maintenance—State Aid	\$582.50	
	Winter Maintenance—Town Hwys.	299.00	
			881.50
July 16	Forest Service—Rental of school lot	10.00	
Dec. 1	State Aid for Education	13,854.92	
Dec. 3	State Aid Maintenance—Ret.	2,352.99	
Dec. 10	State Aid Construction	\$3,351.50	
	State Aid Maintenance—Ret.	51.50	
Dec. 10	Town Highways	1,693.75	
Dec. 10	½¢ gas tax	1,081.53	
			3,403.00

Very truly yours,
 DAVID V. ANDERSON
 Auditor of Accounts

VERMONT DEPARTMENT OF SOCIAL WELFARE
Montpelier, Vermont

This is our sixteenth annual report to the citizens of the Town of Rutland, on State payments in your municipality of various types of assistance and welfare during 1951.

The total number of recipients in the State has declined, but expenditures are larger by reason of increases in the legal monthly maximums authorized by the 1951 Legislature. Funds for the support of these programs were derived from the Federal Government 57.5%, State Government 37.6% and Town or City 4.9%. Total administrative expenses for the four types of Public Assistance were 4.2% and for all programs and services 6.5%, giving Vermont top ranking in the nation for low cost. In Vermont one in six persons over sixty-five receive Old Age Assistance and one in fifty children under the age of eighteen receive Aid to Dependent Children.

None of the assistance programs are pensions. They are paid on the basis of need and in accordance with policies and procedures established under law. Children and parents, in proportion to their ability, have legal as well as moral obligations under the Statutes.

Old Age Assistance	\$5,016.00
Aid to Dependent Children	387.00
Committed Children	778.94

Total	\$6,181.94
-------	------------

W. ARTHUR SIMPSON, Commissioner

WARNING

The legal voters of the Town of Rutland and the Town of Rutland School District are hereby warned to meet at the Town Hall in Center Rutland on Tuesday, March 4, 1952, at ten o'clock A.M. Standard Time to act on the following matters, namely:

1. Shall the Town empower and authorize the Selectmen to appoint one or two Road Commissioners?
2. To choose all necessary officers required by law.
3. Shall the Selectmen act as Overseer of the Poor?
4. Shall the Town vote to raise money by tax, or otherwise, to pay current expenses of the Town, Overseer, Highway, County, Fire Protection, War Memorial Fund, Retirement of the McKinley Ave. Bridge Note; if by taxes, how much?
5. Shall the Town appropriate three hundred dollars (\$300) to secure the use of the Rutland Free Library to the inhabitants of the Town?
6. To whom and when shall the several taxes be due and payable?
7. Shall licenses for the sale of malt and vinous beverages be granted in this Town?
8. Shall spirituous liquors be sold in this Town?
9. Shall the Town authorize the Selectmen to borrow money for the temporary use of the Town?
10. Shall the Town vote to secure the services of the Rutland Fire Department?
11. Shall the Town vote to take advantage of the extra twenty-five dollars (\$25) per mile granted to the Towns by the State, provided the Town spends twenty-five (\$25) dollars per mile of their own money on Town Roads outside of winter maintenance?
12. Shall the Town vote to appropriate a sum equal to three cents (3¢) on each dollar of the Grand List, in the event the legal voters of the City of Rutland, at their annual meeting of 1952, vote to do so?
13. Shall the Town School District vote to raise money by tax or otherwise to pay current expenses of Schools, if by tax, how much?

14. Shall the Town School District pay tuition for the higher education of the scholars of said District, if so how much?

15. Shall the School Board be authorized to borrow money in anticipation of taxes?

16. Shall the School District vote a sum of money not to exceed eighty (\$80) dollars for a scholarship to be awarded a worthy High School Graduate of Rutland Town who wishes to enter an institution of higher learning particularly a Teacher's Training College?

17. Shall the Town vote its officers salaries, if so how much?

18. Shall the Town vote a sum not to exceed one thousand dollars (\$1,000) to match State money which is available on a two to one basis? (State pays \$2 for each \$1 paid by the Town and the work is to be done on the State Aid System).

19. To transact any other necessary, legal, and proper business.

Articles No. 1, 4, 6, 13, 14, 17, and 19 will not appear on the Australian Ballot, and will be taken up at 1:30 P.M. The polls will close at 3:00 P.M., E.S.T.
